# Learn about shapes and make a portrait

Tuesday 13 August 2024 1.30-3pm

Michelle Baharier will run a creative Portrait workshop - using collage, shapes, colours, magazines and newspapers with glue and scissors. You will learn about shapes, colour tearing, and just exploring. Enjoy getting messy. Meet other people who live locally and become part of your community. You can create an imaginary portrait using collage, think about the use of symbols to show who it is you are making. Bring some humour, and afterwards, display your artwork in your home!
